Nordic Bulk**

**Petri Iso-Järvenpää, Maajohtaja  
Nordic Bulk**

## **Nordic Bulk, material handling EPC contractor looks to Finland as a new market**

Case Nordic Mining: Nordic Bulk is main contractor for the first greenfield mine in Norway in 40 years. Nordic Bulk will present this project steps from turn-key contractor point of view.

- Execution methodology for efficient, quality and safety - from feasibility to hand over.
- Execution method
- EPC organization
- Flexibility
- End results

Looking to Finland: Nordic Bulk is looking to Finland markets and introducing Country Director Petri Iso-Järvenpää to contact customers and meet their needs to carry equipment/EPC contracts in material handling in various industrial projects. Petri will be there for you to help.
